

AD-LIB TABLES

Looking at how people work, the Ad-Lib range has evolved and now offers new top shapes and sizes.

With technology at the forefront of the design; power, AV and

USB outlets are conveniently located under the desk surface and accessed through an easily removable polished acrylic cable access tray which sits neatly on

a cable tidy porthole. The tables feature an innovative tech knit sock which also acts as cable management when used with an integrated power module.

DESIGN

PearsonLloyd

The London based practice takes a collaborative approach to its work, embracing the restrictions imposed by production, the market and all the other factors that define a brief. Their work is grounded in research and at the core is an attempt to understand

the relationship between a product, its place, and the way people use it. It is this innovative thinking that earned PearsonLloyd a Red Dot Award for the design of Ad-Lib for Senator.

STANDARD FEATURES (*Selected models only)

- 4-star base tables utilize an aluminum base and top casting with a steel riser
- Shrouded 4-star base tables utilize a steel framework covered in a technical knitted fabric
- Single "I" Leg tables utilize an aluminum ski and top castings with steel risers and twin steel beams
- Shrouded "V" leg tables utilize an aluminum ski and top casting with steel risers covered in a technical knitted fabric
- Leveling adjusters
- 1" TFL (Edge 69) tops

OPTIONAL FEATURES

- Range of top shapes including: soft square, circular, rectangular, soft rectangular, "V" and "U" shaped meeting tables
- Optional in table power module
- Vertical cable riser

PERFORMANCE STANDARDS

Designed to conform to and where applicable is tested to the following standards:

- BIFMA X5.5 × 2014
- SCS-EC10.3-2014 v. 3.0 Indoor Advantage Gold**

MATERIAL CONTENT

Components are constructed of the following

RECYCLED CONTENT

Contains up to 56.90% of Recycled Material

RECYCLABILITY

The range is 99% recyclable

99%

SENATOR 3 R'S

Senator is committed to continually improving the sustainability of all environmental aspects within our business.

To meet both international standards and our own environmental targets we apply the three R's principle

-Reduce, Reuse and Recycle.

While recycling is the element which

receives the most exposure it is actually the last option available and should never be the prime target in anyone's battle to reduce waste.

It is our duty as individuals and as a company to initially attempt to **Reduce** usage. Then we should look to **Reuse** wherever possible and finally, only after these two processes have been exhausted, should we consider **Recycling**.

REDUCE REUSE RECYCLE

STANDARD TOP FINISHES - TFL (Edge 69)

Carini Walnut

Autumn

Strata Oak

Urban Maple

Highland Oak

Winter Oak

White

Light Gray

Denim

Clay

CONTRASTING EDGE BANDS

Ply Effect Edging

All TFLs are available with matching edge tape as standard.
Contrasting edge tape can be specified.

FRAME / LEG FINISHES - FOR SINGLE LEG DESKS ONLY

Black

Slate Gray

Light Gray

Polished Aluminum (foot only)

TECHNICAL MESHES

Black

Slate Gray

Note: Slate Gray mesh is also used with Light Gray legs
